{ Reason For Running }

I have a passion for Judaism and programming because of NFTY. NFTY has given me many friendships and experiences that have helped shape my life and I want to create programs that help people gain these same benefits and friendships. Programs are a way of meeting Jewish teens throughout Ohio Valley that will create life long friendships. I want to be apart of this wonderful experience and help other teens who come from a small Jewish community find their voice and their home in NFTY. I want to help create NFTY OV's kehillah kedoshah, our holy community by creating inclusive programs.

{ Programming and Goals }

- Programs that people feel comfortable and excited participating in
- Programming themes that have a Jewish connection to empower teens
- Create a simple guideline to help programming committees and pvp in local tygs
- Increase programming committees independence in programming events
- Be a resource to local pvps

{ Skills }
