## SHALOM EVERYBODY!

I'm Shayna Codd, I am your financial vp for OV for this upcoming year! I'm from valley temple in Cincinnati, OH  
Congratulations on your election to your TYG board. I'm so extremely excited to get to know all of you this year and help you move through this year with ease! This year will require commitment and work but it's well worth it and a lot of fun.

## What do FVP's do?

Our job is to create and perform all fundraisers, this includes creating merchandise for your TYG!

We as FVP's have the responsibility of making sure our region has the money to be able to have all of our fun events, programs, and special surprises that make the events more memorable!

Not everyone recognizes the capacity of the FVP role and how valuable our jobs are. We are hard workers and just as valuable as the rest of the board! You can all do amazing things. I want to make sure all of your work is noticed and appreciated.

## *Things to keep in mind when creating merch/shuk items*

When you're making different items for people to purchase, you have to make sure it appeals to everyone. The goal of merchandise is to raise money and also make things people will actually wear. Keeping the items unisex is the best way to go. I try to stay away from very basic designs and create fun new pieces that people will want to show off and will feel like their money is being well spent.

## Things to keep in mind when fundraising

**Getting the word out:** The more people who know about the fundraiser, the more successful it will be. Call, text, email, social media, flyers and more should all be used when trying to put together an event. You must also keep in mind the audience you're reaching out to dependent on what the fundraiser is.

**Donations:** something that is an instant money saver is getting donations. From donating materials for an event, to scholarship money, it's all helpful to raise as much funds as possible. Remember that saving money is just as important as raising it. Reach out to different groups within and outside of your Temple/Jewish community for maximum results.
